

Stage 1 Water Restrictions

Effective Immediately

Due to lack of rainfall, excessive temperatures and extreme drought conditions

Action and Restrictions

- Customers reduce water consumption by 10%
- Watering is to be done between 8pm and midnight
- Addresses ending even numbers limit watering to Thursdays and Sundays
- Addresses ending odd numbers limit watering to Saturdays and Wednesdays
- Minimize or discontinue non-essential water use

Help prevent over-pumping and ensure sustainable water usage during this severe drought condition.
